Chester Academy Principal Vacancy
Chester, NH

Chester Academy (PK-8) has an opening for a School Principal starting in July, 2022. The ideal candidate fosters a trusting learning community grounded in positive, caring relationships where all community members are honored for their uniqueness and valued for their contributions. The Principal ensures students are engaged in rigorous academic activities and are making progress toward identified state and national standards. The Principal designs a safe school environment with clear expectations, routines, and procedures. The Principal invites ongoing participation and partnerships with Chester Academy families and the broader community.

Leadership experience and Administrator certification is required. This is a year-round position providing a competitive salary and benefits package.
