

The New Hampshire School Principals Foundation sincerely thanks the Paul and Ann Harvey Legacy Fund, administered by the New Hampshire Charitable Foundation, for awarding a \$500 grant in support of our mission and work on behalf of school leaders across New Hampshire.

The funding will be specifically allocated to support our state-wide mentoring program designed for New Hampshire's new school leaders. This initiative aims to provide guidance and resources to help these leaders develop their skills, build confidence, and effectively navigate the challenges of their roles. By enhancing this mentoring program, we aspire to foster a strong and effective leadership pipeline in our state's schools.
